“ *Janie had such a sweet soul, she's truly missed! I dated her grandson for awhile back in high school, and I could also remember her having her grandies over and taking them to there games and never missing one. She was definitely the best, nana to them. She was more than a blessing. She always taught them to go to church and to love the lord. She was an awesome woman of god, but she did her work on earth as she will in heaven. It was time for her to spread her wings and fly. 💙*
