“ *Our deepest sympathy to Mrs. Pondexter and family. We didn't know Mr. Pondexter that well, but know he was a good person and he was a great help to my husband's mother, Vera Jennings. She always depended on his help doing work in her yard. May God and good memories give you much comfort at this time.*

*Again our deepest sympathy,
David and Louise Jennings*

“ I worked with Jasper at Tyson Foods for 13 years, and my greatest memory of him was of us giving him a hard time during the winter months. When it snowed and roads were bad, some of us that lived like me (11 miles) from Stilwell, but out in the country, well it took some work to get there, but when I would arrive late word would already be going around the plant "Jasper was here on time". So during break we would give him a hard time with comments like "Jasper stay home!" He would just laugh and that laughter and smile will live in my heart forever! Jasper I can hear him just as plain as day "Well done, my child enter in!" Someday soon we will enjoy a reunion!
