What a love Jean was. She was a force to be reckoned with and Mike was the man to do it. Jean and I shared so many prayers together for Dodgie, John and GIGi plus Shannon. Jean and I seemed to always be on the same intellectual and spiritual plain at the same time which bound us closely together in mutual admiration. Even though I had not seen Jean in many years, she was dear to me. I treasure memories of our times together! I send my love to her children. You had a winner for a mother in Jean. I loved and admired her so much. Tommye Allen
