“ *Jim... so sorry for your loss. Didnt hear about this till after the fact. Jeanne was my mom and dads banker for along time. Jeanne used to laugh because my daughter when she was little went to bank with dad, Sam Brassfield , on banking business. Jeanne told me about my daughter thinking she , Jeanne., was my dad's girlfriend. She was a truly special person and I know she will be missed*

“ *I wish to share my deepest heartfelt sympathies to all who knew and loved Jeanne. I was happy to get to know her by several connections in past years. My mother, Belle Cahoon, knew her through their long ago shared working lives in Muskogee. She talked of how enjoyable it always was running into Jeanne somewhere downtown and sharing stories with her about their large rural family lives during the depression and WW 2 years. We also knew her youngest brother Tony, as he married a Fort Gibson girl, Ruth Ann Boatright whose family was close to ours for several generations. In these later years, we got acquainted with Art and Millie Nice (Art and my father were in the Rainbow Div. during the war) Millie grew up with Jeanne and they remained beloved and dear lifelong friends. Millie is no longer able to reside at her home where she shared so many beautiful, fun and treasured times with her best friend Jeanne. I know that she wishes Jim, Eileen, Jeff and all her family much love during this difficult time. Millie also grieves deeply for the loss of her as her fondest memories include so much of this incredible friend. It is my hope that peace, joy and sweet moments will soon return and overcome the deep sadness of living without such a remarkable and lovely lady. Carolyn Cahoon Watts*

“ When Tom, 3 year old Heather, and I moved to Muskogee from Wisconsin in 1978 and had no family or friends here, Jeanne and Jim were the best neighbors we could have had. They made us feel like we were part of their family too until we moved back to WI in 1984. We have kept in touch over the years because that is the sort of people they are!

We were sorry to hear about Jeanne's passing and send our prayers to Jim and the family. Shelia Harrington

Jim and I want to send our sincere sympathies. We just learned of Jeanne's passing. She was a big influence in Jim's business for over 20 years. When Jim was in business Jeanne was always encouraging and helped Jim in every instance. Jeanne was a fine commercial loan officer. As a former employee at Commercial Bank, I knew Jeanne to treat every person rich or poor with the same respect and beautiful smile.

“ We first met Jeanne when we moved to Muskogee in 1979. She worked at Commercial Bank with Bert Baker. I had worked in Oklahoma City with one of Bert's banking partners so we struck up a professional (we needed a bank) and personal relationship until the arrival of my children took so much time. She was very professional, classy, and always super friendly and gracious to us. Very much enjoyed the time I knew her and that period of our lives. Beverley Wayman.
