“ *Jerry Folsom and I were classmates with the class of 1977. Having Drama class with Jerry was so much fun. I will always have fond memories of Jerry "Fred" Folsom. Some of the guys in class thought he resembled "Fred Flinstone". Rest in Peace, Sleep with the Angels.*

“ *I worked with Jerry at Cherokee Nation. He was a super guy and would give you the shirt off his back. We would talk about our cats. He loved his little girl. He would come ask me questions about what he should do about whatever issue he had with her. He will most certainly be missed. Heaven has most certainly gained another angel.*
