“ To the family ~~

Please allow us to express our most sincere condolences.

Jessi's grandparents, Fay and Jerry Ellis, were great supporters of our Braggs History Project. They helped with the books, contributed family stories and photos, and served on the project board. From their service, we know their family is a strong, loving one and built on deep faith. We hope it will comfort you now.

With our deepest sympathies ~~

“ I'm Free

*Don't grieve for me, for now I'm free.
I'm following the path God laid for me.
I took His hand when I heard Him call.
I turned my back and I left it all.
I could not stay another day.
To laugh, to love, to work, to play
Tasks left undone must stay that way.
I've found that peace at the close of day.
If my parting has left a void,
Then fill it with a remembered joy.
A friendship shared, a laugh, a kiss.
Ah, yes, these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief;*

Don't lengthen it now with undue grief.

Lift up your hearts and share with me,

God wanted me now; He set me free.

“ Billy, Tina, Justin, I’m so very sorry for the loss of your gorgeous daughter & sister. I want to share a memory I have of Jessi, I was working for Youth Central and usually worked in Muskogee but one day they sent me to work at Braggs and it just so happen that Jessi was in the class, she was probably 4 years old and was the most beautiful little girl. But during class I called her Jessi and she looked up at me and said so firm (MY NAME ISN’T JESSI IT’S BAM BAM) Lol and from that day forward she was Bambam to me. I did ask her who called her that and she said MY DADDY!! I love y’all all so very much and praying for strength & peace for family. 😭
