“ *So sorry to hear of Jimmy's passing, but know he is in a better place. James and I pastored the First Freewill Bapt. Church in Muskogee back in the 70's and 80's. That is when we became acquainted with Jim, Donna and their family. They were loving, caring people and we greatly appreciated them. We were visitors in their home and always felt welcome. I know Jim earned his right to go home and he will be greatly missed. Our prayers are with you. Love Lola and Ricky Williams,*

“ Jimmie was my son in law’s grandfather. So he was my 3 grandsons great grandfather. He invested a lot of time, love and support in them! I called him Papa because they did but he became family to me about 14 years ago. The last thing I told him last week while holding his hand was thank you for all you have done for my grandsons! He told me he loved me. I leaned down and kissed him his n the forehead and told him I loved him!  
He said it’s important we love everyone!! That will always stick in my mind! We are living in a hate filled world right now, but we should love everyone!! Thank you PaPa for the sweet memories the boys have of the tractor, cows and country,and for the home you opened to everyone!  
You will be missed!!
