“ *So sorry for your loss. Jim was the sweetest guy when we would interact while out walking. I loved listening to his stories. We always watched out for him as he passed by our house, we made sure when he went one direction he always came back the other way headed home.*

Terry, Jamie and Family, Terry your dad was one of those very special people. He was 8 days older than I was, so we had a lot in common. Just wish we would have had more time to visit. He will be missed but will be fondly remembered.
