“ I remember meeting you at one of your garage sales back in 1998 and our girls were the same ages. We hit it off and we're friends every since. Our girls grew up together being close friends. And what do you know my daughter Kate ended up marrying your nephew Brady who adores you, they both do! They enjoyed your jam sessions and parties at your house often! You have a large wonderful family that are just as awesome as you and love you dearly!! So now you are a part of our family forever and always. You will be missed friend and forever remembered!! Run free 'Angel' Run free!!! Love you!
