In 1991 Jody met the love of his life Sandra Lee (Wofford) Rogers and her daughter, Randell Lee. Throughout their 32 years of marriage Jody and Sandy had three children together Jody Paul, James Olen, and Julie Nicole. They were blessed with nine grandchildren who were Jody's pride and joy until the day he left this Earth.

He is preceded in death by his father, James Rogers; mother, Nadine (West) Rogers; sister, Barbara Hill; and nephew, Joshua Bryan.

He is survived by his wife, Sandy Wofford Rogers; and their children, Randell Lee Gattenby and husband Enoch Gattenby, Jody Paul and wife Ashlee Rogers, James and wife Amanda Rogers, and Julie Rogers all of Muskogee,

*My name is Scotty Brackett and Jody was part of my life. He was a great friend to my Father Earney Brackett and my Brother Will Brackett and I always thought he was a really cool guy ! My Mom and Dad were close friends with the Hills and Jody was always around and over at our house or we were over at their's. As a kid growing up, we went on Motorcycle rides, camping and fishing trips, shooting guns, helping Jody and Steve cut wood and just goofing around doing fun things. So many very found memories with this Great Man.*

*One of my favorite memories when I was a young kid growing up was when Jody came over and picked up My Dad and I to going Four Wheeling in his White Ford. We went down to Keefton, went out through the pasture and across the creek where they had been cutting wood. Jody and Dad were talking about the trees that were going be cleared next and just horsing around in his truck. We headed back towards the creek and I remember Jody pulling up to edge of the water and looking at Dad. He just smiled and looked at me said Hang On ! He shifted the truck and we crawled across that creek and up the other side ! It felt like we were climbing up a vertical wall ! I thought we were going to flip over and then we just rolled over the top and we were on the other side. I was hanging on for dear life! Jody and Dad just laughed ! 😊*

*Even though I can't be there today to celebrate his life and share my memories, I would like Jody's family to know how much that he helped shape my life and truly touched my soul.*

*My Deepest Sympathies,  
Scotty Brackett*
