“ *I was so sorry to hear of Jody's passing. I was his older brother's classmate and we both had little brothers in first grade at Franklin Elementary. His family was always, outgoing, friendly, and became closer over the years. They made our early childhood memories pleasant in retrospect. Sincere condolences from Henry and Patricia Brown*

“ *I remember Jody throughout my high school years while at MHS. He was much younger than I but my friendship with his family at that time brought us together. I always thought Jody had a special inner light and enduring spirit. He was forever smiling and laughing and I very much cherish being in his presence. He has been married to my beautiful and sweet cousin, Ashley, for many years...she couldn't have been blessed with a sweeter person. My love and blessings are with Ashley, Anita and the entire Family.*

“ My friendship with Jody started when he was a senior and I was a freshman. We were on the swim team together. He took me under his wing, even taking me home after practice now and again. That bond stuck for decades. A hug and good conversation took place every time we meet. I will miss him.

“ I got to know Jody a little during senior year, when I was friends with Ana, the foreign exchange student living with his family. I would come over to study for Mr. Jayne's international relations tests. I only remember Jody smiling. My sympathy and prayers go to the family at this time of loss. May he Rest In Peace and light.
