“ *I remember fishing a lot with Covey and Nick Davidson I remember I told them I was going to show them how to fish. Lol He once said how can we not get a bite and she always catches one and usually the biggest one. Lol Once I thought I broke a hip running and sliding in to grab a pole he helped me off the ground and even offered to help me big that big boy in...I declined letting anyone bring that fish in but me. I was wore out and tired by the time I got him in...Covey was more concerned if I was ok...bruised and scraped I was ok. I hated to hear he passed away. I remember that he had a fish fry and had butter beans...I had never ate them turns out I love them...I eat them regularly now. I will miss seeing him around...such a sweet guy...and I know he loved those kids with everything he had!! Miss ya brother!!*
