“ *My thoughts and prayers are with Barbara and family! This man was a big part of mine and my brothers and moms life. He and I shared the same bday! He could always make you laugh and he taught me how to back a horse out of a corner when I was only 5 years old at the Muskogee Round up Club, it was his horse of course and was atleast 13 hands high. I will never forget that! Spent alot of time out at their house with all the chickens and goats. Go rest high on that mountain big john you will be sorely missed!*
