“ *Condolences to Miss Pat and her family. Our thoughts and prayers are with them and ee pray that God bless them with peace and comfort at this time. I met John many years ago and he workrd with my son John and they were very good friends. John use to come over to our to visit and we would go to his house to visit. We coached a youth boys flag football team together one year. He was the only person I can remember that still called me Junior. I enjoyed his company any time we met. He was a talker and he was friendly with my family as he use to come over and play volleyball with us. I haven't seen him in awhile, but he use to call my son and give him the latest news on what their friends were doing. I will miss him, we will miss him. Rest In Peace John Wilson, God bless you, we love you.*
