“ One of my favorite memories was coming to Oklahoma and sliding into Preston on black ice. Jonathan and I played in the snow and even though he was only about 9, he pulled me to the top of the hill on his sled. Had such fun.

Papa's favorite memory was giving him his first fishing pole, a Zebco. He was about 4. Such glee. Don't think there was a time he didn't have a pole in his hand from that time on.
