“ I only knew my Joe for a short period of time but we never wasted a minute and had as much fun and just enjoyed life with our family and friends. Our whole life changed when we had our children and opened our world to even more dear friends that we considered as family through soccer, softball, school, and especially our work. Thank you Joe Joe for all the memories you gave me and our children and for showing what a father sacrifices for their children's happiness and I will make sure they always know how much you loved them and I will always remember how much you loved me and made me feel beautiful even on my worse days. I love you babe.

“ Would like to send my condolences to Salida and the kids. Also to my Aunt Janie and my Uncle Erasmo. Also to my cousins Jennifer and Jason, and to there children. My fondest memory of Joey is the summers me and my brother Rey spent at his house in Aurora Ill. Our grandmother to care of us and our siblings. While our parents worked. The mischief we got into. That would get us in trouble with our parents. Also the memories we spent with our other cousins in Aurora. The family get togethers. Memories that I'll never forget. Thanks for the memories Cuz. RIP Joey
