“ I didn't know Josh very long and when I met him, he was a pretty good guy...Being from Dallas, I didn't talk to or see him very often but when I did see or talk to him, he was always easy to talk to...I met Josh through his daughters mother...I was saddened to hear he lost his life...God will make a place for him...
Glory to God!

“ *Why does life have to be so unfair?
You just seen someone you love, then you find out there no longer
here.
Passed on to something better a life of peace,
Thats what people will tell you about the deceased.
Are they for sure, or is that to just ease your mind?
No one really knows until its there time.
When you get the bad news it hits you with shock,
Not knowing what to do, whether to cry or not.
Theres so many thoughts that race thru your mind,
Why did it have to be them, why was it there time?
Now your heart aches with pain and the tears wont cease,
I hope there is a place after death they call peace.
So will that loved one be there waiting for me, for my time to go?
No one knows we just all hope so.
I hope the deceased do get released from all there pain,
You cant dwell over the death or youll lose your saine.
So all we can do is hope and pray,
That when its our time its like they all say;
That we all Rest In Peace someday.*
