JB

I'm so sorry I couldn't bring myself to come, I'm still at a complete loss. I know the man he was and wish I would have known the man he became. I'm sure his heart was still the same. I can see us all riding around in that red truck thinking we were all invincible & knew it all. Going to Bells amusement park on top of the world. Running back and forth to Jamis house since it was right down the road. Thinking I could brave bass tournaments out on the water in the cold nope. Most of all I wish I could apologize just one more time. Hoping you & Jami are keeping each other company & I know your labs right by your side he's been waiting for you for along time.
