“ *I am so sad to hear of Josie's passing. I met Josie right after she moved back here from San Antonio. She was a joy to work with. She always had a smile on her face and was the kindest person I have ever had the pleasure of knowing. Although I had not seen her in years, I thought about her. She left her mark in my life and I will never forget her. I am praying for comfort and peace for those she has left behind. I love you Josie! Rest in Peace my friend. Lisa Lindell*
