“ Mrs. Byrum helped to shape my life. She was my first grade teacher at Tony Goetz and the story is that she cared so much for me that she switched to 3rd grade so she could teach me for another year. She was a huge inspiration in my life and helped make me the man I am today. She became a life long friend to my family and even as I got older I always enjoyed visiting with her. I have so many fond memories of her. I believe it was the summer before 3rd grade my Grandfather, Father and I built a tree house in her classroom. I also remember in 3rd grade my Grandmother was the principal of Tony Goetz and I thought I could get away with murder, so I told Mrs. Byrum she couldn't spank me. So she just sent me to the Principals office and boy did I get it from my Grandmother. Mrs. Byrum was a blessing to all that she came into contact with. I will never forget her and I hope she has found peace and comfort. My condolences go out to the family. Forever in my memory and heart, Kevin Garde
