“ I never met Judy but I have been a friend of her daughter Lesley for some time now. Lesley talked a lot about her Mom "Judy" and that is how I got to know about her. Judy loved her husband Bill so very much and now is in Heaven with him where she wanted to be. You could tell by the way Lesley talked about her Mom that her Mom was always there for Lesley and loved her. Judy will be missed very much but I know that she is in Heaven with the Love of her life Bill. Judy and Bill are now in Heaven and are watching down on Lesley. Lesley I'm so sorry for the Loss of your Mother and your Father and pray for you in this of loss. God wanted them to be together in Heaven because they loved each other so much. You now have two Guardian Angels watching over you and you have all those wonderful memories of your Mom and Dad. I continue to keep you and yours in prayer at this time of loss, your friend Ron.

“ So sorry for the loss of your mother and the sweetest friend I ever had in my life. I worked with Judy at Green country health. Her and Bill use to go out on our boat with us and Judy and I would always fix food to take with us.

We had so much fun together. I had tried to call her the past two weeks and never got an answer. I knew something was wrong. My heart is breaking right now. I have so many memories of her and Bill and my husband and they are all gone now. No more suffering for Gods precious angels.

“ Aunt Judy...

When I married into the Berry family I had no idea what wonderful people I would have put in my path. You and Bill were so amazing to me. When I lost Rich the two of you came together and showed how much you cared. Always just a phone call away. You made sure that I knew I was family for life no matter what. I will miss you but I rest assured that when I pray that the big guy upstairs will pass on any messages that either one of us has to share. I just gotta listen and I know you are there with Bill, Papa, Little Tommy, my Richard and a host of characters from you wonderful Berry's. I want you to tell Rich how much I miss him and still love him with all my heart. Keep me a spot warm because I am not a spring chicken anymore and ten-twenty years can go in a blink of an eye for you now. I love you!
