“ *I've worked with Ms. Judy here in Muskogee Public Schools.....she was truly a jewel.....when I first started working as a secretary, I could always count on Judy to give me encouragement and help me catch on to all of the new things they were asking secretaries to do.....I will truly miss her warm smile.....Pleasant journey Ms. Judy.....*

“ *I was so saddened to hear of the loss of Judy. I have known her for over 35 years. She worked with my mother at the old Gibson's Store in Muskogee, along with Juanita Barnett. When I first applied to Muskogee Schools for a teaching position, I met Judy at the Education Center. She was always so friendly and helpful. I finally began working for the Muskogee School District in 1982 and would see Judy at different times over the years. Again, she was always so friendly and helpful. I will miss her smiling face. And I know she will be missed by many. Please accept my sincere condolences. Pat Isbell*

“*Judy was a special person to me. We worked closely together for many years in the Administration Offices of Muskogee Public Schools. We worked together on rush projects as well as the routine items. She was always so helpful and a person who could be counted on. During this time we became good friends. She was always available to encourage, life up, and support me. She was a person I could share my concerns with and just be a good friend. I loved her very much. She told me many times about her love for her family and her concerns for each of them. I admired her for being so dedicated to them and wanting always to be there for them. I know she will be greatly missed, but also that she left many good memories for each of them as well as her many friends.*
