“ *Mrs. Capps was an awesome home economics teacher... I loved being in her class over 20 years ago. She was always smiling. My heart was broken to receive this message today. However, I believe she's in a better place. I'm praying for God to strengthen and comfort the family during this time.*

Mrs. Capps was my teacher and I remember her as being one of the sweetest, softest people. I was a kid with a lot of instability at home and she always made me feel like I was safe and cared for in her class. She made an impression on me for sure and I am sure many others. The world lost a true lady. My sincerest condolences.
