“ *I have worked with hundreds of teachers over the past 35 year and none could top Kathy, not only academically in the classroom but her warm generosity and sincere love for the kids and their success. She was kind, considerate and friend to all. She will be greatly missed. My heart felt condolences go out to the family.*

“ *Kathy was such a special woman in so many ways, there is no way to list them all. I truly think she was one of Gods angel's on earth. There are not many in this world that can compare to how gentle, sweet, and kind she was. She is missed and will always be missed. Love and prayers to the family, she is with the Lord and she's happy.*

“ Sending our love to Brian, Katy and Jonathan. Our hearts are heavy with the news about Kathy. She was a dear and special friend. Her quiet, patient spirit fills our hearts as we think of the battle that she fought. We know that you are already anticipating the joyous reunion that awaits. We are thinking of that reunion also. We pray that you will know the special peace and comfort of God during these days.
Sending love from Chuck & Fran McCarthy and The Bible Church Family.

“ First time I remember meeting Kathy was around 1997 at her home and I was with my grandmother, Navolia Jackson. We went to Kathy and Brian's home and I had never met anyone as gentle, kind and sweet as Kathy was that day. She gave you a most sincere feeling of acceptance and warm hospitality. My grandmother said Brian was a blessed young man to have Kathy in his life. And she was absolutely correct. Kathy gave others her gift of peaceful acceptance and now
may God carry her home to everlasting peace.

“ Kathy will be sorely missed. She was such a gentle person, always encouraging and helpful. I really appreciate her dedication as a teacher. My son and my nephew finally "got" algebra through her teaching. She was also a very supportive parent when I had her children in elementary. Praying for all of you. Love, Cristi Thomson

“ *Kathy was a strong and courageous woman. She was a Godly woman who put others needs before her own even during her final days. I am a better person for knowing her. She will be missed by many.*

“ *My daughter Amanda was one of Mrs. Jackson's students at Hilldale High School and in my conversations with her I found her to be a wonderful teacher and very concerned about her students. I am so sorry for your families loss and may God comfort you during this difficult time.*
