“ *I was just talking to her a few weeks ago. She was eating a grapefruit and telling me about the American doll she got Henley for Christmas. She is my neighbor . She was always wanting to help people. So thoughtful. When I had my baby in December 2019 she came over and sat with my other children so my husband could rush to the hospital. My kids and her grandkids were always playing with each other and coming home with some goodies she gave them. She spoke her mind and I respect that. Not many people do. I think of her when I look out at her pretty horses. Little Henley was her buddy. I am glad to have known her. Journey on Kathy. Thank you.*

“ *Such a great lady with a heart of gold. She will be truly missed by many!
I first met Kathy as a neighbor, then through riding horses and finally as a coworker at Zapata. She was an amazing, funny and intelligent women. She loved her family intensely and I know it was returned. I pray for comfort and peace for the family during this time.*
