“ Aunt Kay was a wonderful lady. She was the best aunt anyone could ask for. While growing up and spending summer vacations with her and her boys she was just a fun loving big kid who made us all feel loved. My mother Doris, her sister, adored her and even though we live across the country it always felt like we were right next door. Today I still feel the same way about her boys. Love them dearly.

JEANNE K MURPHY - December 13, 2024 at 08:56 AM

My family were next door neighbors to Kay, Doris and their mother for years, we "ran" the neighborhood for a long time. I can still remember Kay's mom standing on the front porch and yelling for Kay to come in, still hear her voice, "Kay, Kay Del". We were outside kids.
