December 23, 1959 - April 23, 2022

Ken Slater passed away on April 23, 2022 at age 62 from a sudden illness. He was born on December 23, 1959 in Perth, Western Australia. He migrated to America in 2005 with his wife Sheila, became a U.S. Citizen in 2012 and was a longtime resident of Muskogee, Oklahoma.

He is survived by his wife, Sheila (Williams); his stepson, Forrest Flynn; 6 grandchildren and 12 great grandchildren who he dearly loved.

He is also survived by three brothers Ray, Lindsay and Norm Slater who live in Australia.

He was well loved and will be sorely missed.

In lieu of flowers, we ask that donations be made to the International Federation of Red Cross (IFRC) to help alleviate the suffering to victims of violence in Ukraine.

“ Ive started writing and deleted and started over again so many times... The thing is i have so much to say and so many memories to share i just dont know where to begin. This definitely isnt the way i wanted to say these things. The last thing i told grandpa was "i love you, ill see you next weekend" guess i took for granted that there would be a next weekend. I love you so much grandpa and hate that i cant hug you or tease you or laugh with you anymore. But ill remember you and all those great laughs and big hugs. Rest peacefully grandpa. I love you.

“ It still doesn't seem real since we were enjoying a birthday party and talking about the baby not too long ago. I remember hiding behind doors waiting for him to make his entrance so I could make mine and split as soon as I could afterwards. You will be dearly missed.
