“ Tom & I were remembering Ken after we heard of his passing and Tom said "Ken was an "alright, good dude". That about says it all and, is probably the way Ken would like to be remembered. I remember Kenny as competent, cheerful, respected by his co-workers and always bringing a sense of calm to the packing room floor. Tom remembers Ken as an all-round nice guy, always willing to help both in the plant and outside. We both agree he will be missed. Our sincere sympathy and prayers. Tom & Diane Spradley
