Not only were you amazingly talented, but seeing your new designs you had painted was a blast! I'll never forget when you painted KISS as an example! Nobody had a more talented nail tech than we did! My mom adored you as well and thought, like many others, that you were the sweetest person! You have been my friend for almost 20 years! I loved laughing with you and seeing your nose wrinkle when you laughed so hard, and I also loved that we cried together and could share so many facets of our life together! Having you join my Scentsy team was a bonus! I will miss our chats and miss sharing this life together. I look forward to sharing Heaven with you! Love you always!*

I hope I was there for you as much as you were for me. You were my friend first and as a bonus, my nail person. That time was hour catch up time, it could last an hour, an hour and half or two hours depending what all we "needed" to talk about. Today was suppose to be our day. I have never known anyone that was so compassionate and had the biggest heart ever! I love you and Miss you so much!! Cant say goodbye just that I will see you again someday.*

“ Kim- I will never forget the day I randomly came into your shop to see Stacey and found a new best friend that day! We instantly connected with our love of our weenie dogs and obsession with the beach and dreams of coastal living. You were amazing and helped me through some of the darkest times of my life. Always checking on me and looking out for my best interests. We were truly kindred spirits. I wish I had spent more time with you and I wish I had known you longer but I know I will see you again someday and you'll always be one of my best friends. Life is so funny, I never knew I needed you and thought I was doing just fine, then I met you and you made my life better. It hurts to let you go but I wouldnt trade having met you for anything in the world. I LOVE YOU! I always will. You truly changed my life and made it better.
