“ Kim, Michele Poitevent-Gustafson and I commuted together to NSU. Such an adventure getting to classes on time! 😊 The three of us, along with Tom Loftin, also worked together at TG&Y. Many a Friday night we spent getting together for game night. So much fun! For her 20th birthday we threw her a surprise party. So many happy memories. She was sweet, gentle, kind, smart, funny and oh so special. She touched many people’s lives and I was blessed to be one of them. My prayers go out to her family. May knowing she is at peace in the arms of our Heavenly Father give you comfort.
