“ *My deepest sympathy to Kimberly's family. I had no idea she was ill. My name is Sharon Duzan Markland and Kim and I were great friends our senior year in high school. We used to ride to drill team practice together. After high school we lost touch. I would see her on occasional trips to Muskogee. I would always see her at Dillard's at the Este Lauder counter. Kim and I were good friends and even used to double date a lot during the old days. I will miss her bright smile and the twinkle she used to have. Please accept my condolences.*

*Sincerely, Sharon Duzan Markland*

*Kim was always the "most likely to succeed" in our class. We all knew she would be special to everyone who was fortunate to meet her. Even as the token cripple, at AR, she always made time to speak with me, regardless of who she was with; or, how pressed for time she might be. If leaving this world is measured by the space you occupied, the gap our Kimberly left was immense.*
