

Klint Kale Impson

August 20, 1979 - April 27, 2021

Klint Kale Impson and Katheryn “Katie” Elizabeth (Gilmartin) Impson left this earth too soon on April 29th, 2021. Klint at the age of 41, Katie at the age of 39.

Katie was born November 26th, 1981, in Muskogee, Oklahoma to James J. Gilmartin Jr. and Mary Katheryn (Kalil) Gilmartin. She attended St. Joseph Catholic School, Alice Robertson Middle School, and Muskogee High School graduating in 2000. Katie received a degree in Early Childhood Education from Northeastern State University. She worked at the Bureau of Indian Affairs for 10 years in various roles, the most recently as a Contracting Officer. Katie had a passion for crafting and running. She loved to complete crafting projects with her children and Klint. She enjoyed running outside the most, as her and Klint shared a deep love for the outdoors. They frequently went “off grid” to their cabin in the Kiamichi Wilderness to enjoy nature with their kids. Katie was known for her infectious laugh, light-hearted jokes, and willingness to help others.

Klint was born August 20, 1979, to Bob and Cindy (Ellis) Impson in Paris, TX. Klint attended elementary school, high school and East Central University in Ada, OK. After college he began his career with the U.S Department of Interior as an appraiser of trust lands. He quickly earned a role as the Supervisor of Appraisal Services and most recently accepted an appointment

as the Superintendent of the Bureau of Indian Affairs Choctaw Agency. He was an avid outdoorsman, a craftsman of all trades and was always one YouTube video away from perfecting a new skill. He loved working on both big and small projects from building a house for the barn cats to building his and Katie's perfect dream home. He cut no corners when building. He was in his element in the outdoors. Klint, along with his brothers, built a cabin in his beloved Kiamichi Wilderness. It was his dream for his entire family to enjoy the cabin for generations to come. He was the go-to person for family and friends for any construction or mechanical related questions. While he likely did not know the answer, he enjoyed researching for hours to come up with the perfect solution. It was his way of giving, and he gave a lot.

Klint and Katie met in 2006 and quickly knew they were each other's person. They married May 17th, 2008, and eventually made their home in Ft. Gibson, OK with their pride and joys, Karson and Kase. Together, they built their home on 60 acres and were continuously making improvements. Klint and Katie were in the process of constructing a dock on their new pond for the kids to enjoy. The two loved hosting friends and family for fun, and Klint always served a smoked meat. In the summer of 2020, the four traveled to Lake City, CO for their ultimate ATV dream trip. The family fell in love with the area and were slated to continue the tradition with a second trip in 2021. Katie and Klint complimented each other in every way; both easy going and supportive of one another as well as everything Karson and Kase did. They leave behind a lasting legacy through their son and daughter and will be greatly missed by all.

Katie was preceded in death by her grandparents Betty and Clifford Broyles, James Gilmartin Sr., and Joe and Stella Kalil.

She is survived by her two children Karson and Kase, her father James J. Gilmartin Jr. and his wife Dawn of Muskogee, her mother Mary Kathryn Gilmartin of Muskogee, her siblings James Gilmartin III and his wife Christina

“ *Bob and Cindy and Katie's family*

My sincerest sympathies and prayers. My dearest friend, Loretta Carter who left this earth recently, always spoke very highly of you and your family and thoroughly enjoyed her work with you . She always had kind things to say about all her friends she worked with in the Federal Government .

When I heard about Klint and Katie, and Kase and Karson , I cried, I prayed, and then my thought turned to....Loretta, Katie, Klint and Karen Ketcher are now all friends in Heaven. That made me smile as my heart ached so deeply for them all.

You will continually be in my prayers as we all lift your families in prayer. I requested prayer at our church, New Hope Assembly in Muskogee and publicly declared for a miracle for Kase . We stand firmly upon the belief for that miracle and for healing for Karson and for healing in your hearts.

*Most sincerely in prayer,
Loretta's friend Carolyn Allen
