“ Sena, Lori and family, I have quite a few memories of Stan. The ones I remember most fondly were the times you both would come home when I had been having fun with the kids babysitting. He was a good man and will be missed by many. Your family is in my prayers. Judy Dean Platten

“ Stan was the best boss ever. He nicknamed all his "girls" mine was "Smiley". Stan introduced us to many experiences during company dinners. The one that sticks out the most is getting me to eat 'lamb fries' and 'mountain oysters'. He will be missed. Paula White
