“ *Daddy,  
I have so many wonderful memories of you. We had so many good times! You taught me so many life lessons. Above all, you taught me respect. You were the best Dad to Jeff and I and the best Grandpa to our children and grandchildren. You always worked and provided for us and you always made sure that we had what we needed and what we wanted too. I am so glad that you got to go watch Tyler race. That mean't so much to him. Tyler loves you very much! I miss you so much! My heart is broken because of losing you, however I know that you are at peace and you are no longer struggling to breathe. I can only imagine the reunion when you arrived in heaven and seen Grandpa and Grandma and all of our family and friends that were waiting for you. I know that you have a new body that is pain free. I will always love and miss you Daddy. This isn't goodbye, it is just farewell for now and until we meet again. I love you with all of my heart Daddy!*

*I this the Larry Bookout from Checotah High School? He was a year older. Are you going to do an obit?*

**Olivia Mobley** - November 29, 2016 at 11:39 AM

*Hello Olivia,  
I am Larry's daughter. This is a different Larry. We are distant kin to Larry Bookout from Checotah. We will be doing an obit, however it will not be on the funeral home website or in the paper. I will be posting it on my Facebook page if you would like to read his obit.*

*Thank You,

*The earth lost a truly amazing man, but heaven has gained a beautiful soul. Larry was just like a dad to me and treated me just like a son. Like all other families, there were good times and bad times, but somehow he always made the bad times a little better and the good times completely awesome! I could tell story after story of all the times that he as there when I needed him and always knew just what to say or do. He will be forever missed and eternally loved.*
