“ *Larry and his family lived a couple of blocks from us when I was a teenager. He was close to the same age as my brother. He was always a good kid. I later worked with his Dad. When I would see Larry out and about he always made it a point to speak to me. What a sweet man. He will be missed by many.*

“ *My first encounter with Mr. Kennedy was when he came to my
home to discuss the installation of windows and doors. He was very
helpful to me, always being so kind and pleasant. We talked some
outside of business about family and such. His demeanor reminded
me of a gentle giant. Please know that he was one of those people
who left a lasting impression. My heart goes out to his family and
loved ones. Prayers for strength and comfort for each one of you.*
