“ Prayers and condolences to the family of this blessed soul, especially to Rob and Susan. I had the privilege and honor to have known Linda during our Jr and HS years. She was my first date in 7th grade and we struck up a special friendship through out our school years. I led singing in our little Baptist church in Pierre and Linda played the piano. Some of the songs were kind of draggy if you know what I mean and I would look at Linda and she would look at me and would speed up the tempo so they sounded better. She also played the piano for our HS choir and played so beautifully. She was an amazing person which I know all of her family and friends witnessed. She will be sorely missed but know she is in a much better place now. She was a very special friend even in long distance and my love extends to all her family and friends. ❤️

“ My heart is broken for Linda’s family and community. Linda and I shared many delightful times growing up in Pierre. She had the best sleepovers...playing ping pong and twirling around until we were so dizzy we’d collapse in laughter. I loved Linda and her gorgeous thick red hair that I envied. She was one of my favorite people and fellow choir member in the alto section. I will never forget her friendship which made a lasting impression in my life and so many other’s. May she live on in our memories. I will see you again sweet friend, in heaven. Rest in peace. Thank you for all you gave us.
