“ *Lisa lived by me (cousins) when I lived in Muskogee, Oklahoma. When my husband, Bill, went to the Navy during Viet Nam era, she was pre-school. She would write to him and color pictures and send to a lonely sailor on a ship. He would send her little letters back. She, at that time, was so special to both of us. Since then, he has passed away, and she has also. I hope they have met up in Heaven. He called her "Lisa MaDisa." He liked to tease her all the time. I picture them laughing and having a good time right time. Miss you Lisa MaDisa. Hope you and Bill are eating popcorn and having a good time. Good memories. Special memories. Love you guys, Elaine*

“ Taylor, I am so sorry to read about your mom's death in the paper. She was always nice to me and very helpful when I asked her to do things at Pershing school. I can't imagine how difficult it must seem to loose your mom at such a young age. I pray that you will find other caring adults in your life who can guide and help you as you begin your own adult life. Though I don't see you much anymore, I care about you and wish for peace to be with you. Kaia Holder

From reading your Mother's FB postings you should recognize my name and know that I am your Mother's Aunt, and there are 2 more aunts and two uncles that are your great-aunts and great-uncles. They are Carolyn, Jan, Ken and Lowell Wayne Mangrum. Your Mother was precious to us and we will miss her greatly.
