“ *In school I always wanted to be wherever Lisa was. I looked up to her. She was an infectiously happy person and lit up every room she was in. Even seeing her around town she was always so kind and genuinely happy to see me and say hi. I'll never forget how she treated me with kindness and just showered the world with her happiness.*

“ Lisa Nguyen, as I knew her when teens, was one of the funniest, sweetest, corniest, smartest, silliest, most caring friends I've ever had & I'm very saddened to hear of her passing. Her soul is a spectacular one! My heart goes out to her family & every heart she ever touched. ❤️
