

## Lisa Ann Sells

September 12, 1957 - April 27, 2024

This April 27, 2024, Lisa Ann Sells passed away, surrounded by family, after a long hard fight with cancer. She has now eternally joined her husband, Ronald Lynn Sells, who preceded her in death just two years ago. We are certain he greeted her affectionately as “Lisa Moore”.

Lisa was born on September 12, 1957 in California. She married Ronald Lynn Sells in Muskogee, Oklahoma, where they remained to raise their family. She retired from Dr. Odom, Coburn, and Richardson’s Eye Clinic after creating lifelong friendships there.

Lisa is survived by her daughters, Angie and Tammy, grandkids, Levi, Raley, Koby and Nate, great grandson Colson, son-in-law Matt, siblings Tony, Kim, Doug and Brian, and many other loving family and friends.

Grandma wanted nothing more than for her family to know how much she loved them. She enjoyed any activity that included a grandkid and made sure to cheer the loudest from the sidelines. She loved decorating for holidays and celebrating family traditions. The Christmas stockings were always a special event. She was a selfless, fiercely loving, and caring wife, mom, grandma and friend. She will always be our sunshine, especially when skies are gray.

A service will not be held, but Lisa will be honored in a private celebration of her life.

“ It broke our hearts to lose you, but you did not go alone. A part of us went with you, the day God took you to your beautiful home. If our tears could build a staircase we would come to visit you daily just to see your beautiful smile once again. In life we loved you dearly, in death we love you still. In our hearts you will forever hold a special place that nobody can steal. It was my honor to have you as my friend and patient. You may be gone for now but you will never ever be forgotten. RIP Beautiful Queen.  
Love Heather and the rest of the Oncology nurses @ SFH Muskogee.

She definitely put her kids & grands above all else. There's no words to describe her love for you guys. It's hard. Stay close to each other. You will need the support. Love you all. Rest peacefully and I hope you got a big hug from Ronnie. ❤️
