“ *Those we hold closest never leave us, they live on in the kindness they've shared and the love they brought in to our lives. My Grandma Craig was the most kind, generous and loving person I have had the privilege to know. She always treated me like I was one of her own flesh and blood grandchildren. I could always count on a birthday card from grandma, she always made me feel special. She never judged me when I made poor decisions and always made it known that I was loved. I will miss you Grandma and I am forever grateful for your love.*

“ *We are so sorry for your loss. We enjoyed our visits with her and Mr. Craig when we would come out to visit Kevin and Shannon. She is now rejoicing with those that have passed before her and looking down on all of us, having the hope that she will one day see all of her family and friends that she has left behind. That is our wish also.*

“ Only wonderful memories come to mind of this wonderful lady, Aunt Lois. She was one of the kindest hearted people that I have ever met, always willing to give a helping hand. One of my fondest memories was of the fittings and time I spent with her as she made my wedding dress, many years ago. I also remember her as a very wonderful cook, but most of all sweet, kind and loving. It has been many years, since I have been able to see her, but have never nor shall I forget her. My sincere condolences to Kenny and the boys.
