Mr. Maxey, I am so saddened to hear about Frankie passing. I just heard the news today when talking to a mutual friend. I knew Frankie through working with her at JCPenney since 2002. I retired from there in 2012 so had not seen her in a while except for occasional dinners with the JCP ladies. We shared a lot of laughs-she had a talent for making people laugh. Frankie had such a big heart and loved helping people. She will definitely be missed by a number of friends as well as her family. May God bless and comfort you and your family. “ I first met Frankie at MRMC in 1997, when I started as a brand new scrub tech. She took me under her wing and shared her knowledge. I was so grateful for her kindness, patience and friendship. I enjoyed meeting her out to lunch and trips to fin and feather. She was a hard worker, kind person and hilariously funny. Prayers for the family! RIP Frankie!

“ It has been a while since I last saw Frankie. I first met Miss Frankie in 1995 when I started with MRMC. What a person! I had to chuckle when I read, If you don't want to know, don't ask. She could cut to the point quicker than a sharp knife. And as I would find out, she was most usually "right." She was an excellent resource to go to for information. Always willing to help, either with a helping hand or with information. A strong work ethic, with the patient FIRST outlook. There are a lot of us who lost a friend. You will be missed. My prayers to each of the Family. Rest in peace my friend.

“ Frankie was my church school bus driver when I was a child. She
always went above and beyond for her bus kids like taking us to the
lake and letting us have a sleep over at her home. I will always
cherish those wonderful childhood memories made possible by
Frankie. Rest in peace.
