“ God really blessed all of the residents and staff of the Mimosa Assisted Living Facility in the Baptist Village Community at Owasso, OK when He moved Louise Ferguson here two years ago. She was quickly known as one of the sweetest, kindest and most gentle ladies here. But what a wonderful sense of humor she had. Normally she was rather quiet, but suddenly she would say the funniest thing and have all of us laughing. I was lucky enough to live in the apartment right next to her and quickly realized she was in love with Jesus Christ. What an amazing Christian Louise was. And also what a beautiful person. I believed Louise Ferguson to be the most beautiful person living on this campus. On the inside and outside!! Those gorgeous blue eyes, her beautiful white hair and her precious smile - she was quite a good-looking lady. I would always tease her after every meal and say, "Well, thanks a lot, Louise, for once again making me sick at my stomach - you are too beautiful!" And she'd always give me one of her precious smiles and we'd laugh together. I never once thought she knew how beautiful she really was. She was a very humble person and I know everyone at Mimosa loved her and probably everyone who ever met her. I certainly know getting to be her friend and loving her was one of my best all-time blessings! I know she is loving being in Heaven with Jesus and getting to once again share everything with Otis!!

“God blessed us so much when He moved Louise to the Mimosa Assisted Living Facility at the Baptist Village Community in Owasso, OK. I personally had the privilege of living in the apartment next to Louise's, and I quickly found her to be so in love with Jesus Christ. She was normally pretty quiet and gentle but would surprise all of us with her quick sense of humor and leave all of us laughing our heads off. I teased her all the time about being so beautiful. I really believed Louise to be the most beautiful lady living on this campus. Between her beautiful smile, and that beautiful white hair and to top it all off her big blue gorgeous eyes - she was some good-looking woman!!! She was absolutely beautiful inside and out. Louise Ferguson was one very loved woman by not only me, but many!”

“Aunt Louise had the best sense of humor or anyone I have ever known. I always fell for everyone of her stories, which usually went totally south. She brought joy and much needed laughter to my world. She was a true blessing and a true treasure to our family. Our thoughts and prayers are with all the Ferguson family.”

“ I'm so sorry to hear of your Mom's passing. She was a fantastic person and always very kind to us. We greatly enjoyed when your parents visited. I always felt your mom genuinely cared about me and I enjoyed talking with her. She was a great cook - her coconut cream pie was my favorite. We are thinking of you at this very difficult time.
