“ *We will and have missed Bro Loyd at church for the last 3 years. He was always faithful as the first one you see and greet when walking in the doors of the church and any other ministries God gave him there. I remember his looking at the weeds all grown up in the flower bed and saying something about needing a goat (he was unable to pull them himself at the time). Well, Bro. Loyd, in your honor the weeds are gone today. We love you and are happy for your homegoing. Tena Bryant*
