“ *My Aunt Lucy was a wonderful person who enjoyed having a good laugh. She had a zest for life; loving her entire family. She had a passion for fishing, cooking, sewing, casino's, animals(mainly Rat Terriers). practical jokes, traveling, sports, yard/garage sales, trucks/vans, card games and the State of Georgia. Her favorite passion was helping others whether it was our family or her friends. She loved to visit us in Georgia and always brought her kind heartedness and loving ways with her. We definitely felt how much she loved us all. We miss her immensely and will never forget her big heart, her joyous tremendous laughter and all the fun and loving times we shared. The back porch will not be the same without her but we will treasure the memories. Love you Aunt Lucy from Linda and Rachel and of course your sister Darlene.*
