“ *She was my babysitter until I was about 9 years old. My earliest memories include her. She was my "nana" as I never new my grandparents. She filled this role. I loved her very much and will never forget her. My prayers for comfort for her family.*

“ So sad to hear of Lucille passing. She was such a delightful person and I will always have fond thoughts of her. She cared for my daughter when she was a little girl, and she always looked after my mother when Mom was at Grace Living Center. -Kathy Dawson

*Lucille was My friend, My Mother-in-Law, and an all around special lady. We had our ups and downs thru the years but always forgave each other. The world is a little less perfect without Lucille in it, but I know heaven is a much better place with her in it. May God Bless and comfort her family in this time of sorrow. My Prayers are with each and everyone of you.*

*Love to you all*
