“ Lydia was such a sweet person and absolutely adored being a grandmother to Ryan's children, Carson, Chloe and Caleigh. We can recall a time when we shared a wonderful meal and fellowship at the Randolph house in Ft. Gibson. We are so glad that Lydia and Perry spent so many happy years together. We take comfort in knowing that we will see Lydia again in Heaven. Seth and DaRhonda (Downing) Clabaugh

“ My dearest, sweet Auntie Lydia, there are no words to convey the sweet spirit which resided inside of you. You were one of my lifelines to my family and words cannot express the gratitude of your unselfishness to ensure I made it to NM & back to OK safe and sound. You treated me like one of your own children and as you will be deeply missed, please know you always have a special place in my heart. Our thoughts and prayers go out to all of the family!

“ I'm so sorry to get this devastating news this week. Lydia was an amazing woman and I always admired the way she loved her family so deeply. It was the most important thing to her. Of course, she was an amazing cook and that's a great asset when you have such a large family to entertain and share meals with. She will be missed, but I do have so many fond memories to cherish even from early childhood.

*My thoughts and prayers to the entire Jacques family, but especially Ryan, Perry and Bernice. May your memories carry you through this difficult time and know that she is in a much better place with complete healing now. God Bless You!*

*Love to you all,  
Tresia*
