“ Our granny was a special woman to all of us, and she will still live on through all of our memories. She was a sweetheart to everyone but still had a little sass in her to give to my dad when he picked on us :) There are too many fun things that I experienced with my granny to post just one. We will all miss her dearly!

“ Aunt Marjorie (Aunt Margie) came into our family when I was a young child. We loved her from Day One. She was the classy telephone operator, a great friend to my mother, and a fun aunt to be around; later she was my coworker as I also worked at the telephone company and also my friend. She will be missed by many. Prayers for all who loved her.
