“ *She is missed so much! My heart still to this day hurts so much. How I wish she was still here with me but knowing she is definitely one sole that is right where she wanted to be, with God. She lived her life praising him and it didn't matter what anyone said, she let everyone know her love for God was pure. Knowing that she is right with God she will forever be in heaven, worry free, pain free, and loved unconditionally. She taught me everything I needed to know to be a strong, dependent woman. She was always there for me and never doubted me. I will forever be grateful to her.* ”
