I haven't seen you in years, Martha, but I have very fond memories of you as my 'little sister' when you joined Entre Nous in high school, and our time on the drill team. My prayers are with your family and friends.

“ My thoughts and prayers go out to the Nichols and Boyd families. Martha was a wonderful person and I'm so sorry to hear she's gone. I have such fond memories of her and her family; we attended the same church for a while and Martha often babysat me. May peace be with you all during this tough time.

“*Martha, Dainty, little sister. I keep remembering our childhood this week. I remember when we were children living with Granddaddy and Grandmommie, when every night Granddaddy would tell you a story to help you fall asleep. If you feel asleep before the end of the story, the next morning the first words out of your little mouth were, "Finish the story." I remember when you Lori and I did our talent show the first summer we moved to Muskogee. You were such a beautiful dancer. What a great summer that was together. You are with Granddaddy now and surrounded by love and the grace of God. I will see you again, Sister.*

“*Martha, I am so glad i met you. I know we did not get together for the last couple of years, but i remember some really great times with you and others from the VA. Sometimes we ran into each other and talked a few minutes and said we need to get together...now i wish we would have done that. We miss you and love you! You will never be forgotten!!*

“ *I remember walking along the beach in Dog Island, finding sea shells with Martha, and walking in the golf course by her house and saving tees or balls we found. I remember going over to the Albertson's in OKC and getting a Dr. Pepper together, then hanging out with her boyfriend in front of the house. I remember Martha singing and thinking what a beautiful voice she had. I can't believe she's gone. My thoughts and prayers are with her whole family.*
