“ *Please accept our sympathies in the loss of your mother. She and I shared some of the same Isbell relations. We were both pregnant at the same time in 1975. One of her sisters-in-law teased her when I had our son on my husband's birthday. Since Mary was due any time and Johnny's birthday was near, the sister-in-law told her she could not let me "out do" her -- and she didn't!*

I know that was an exceptionally happy day in our family and I am sure it was in yours.

With thoughts and prayers ~~
